

Surcharge-Free MoneyPass Network ATMs

November 2017

Search for Surcharge-Free ATMs with the [MoneyPass ATM locator](#).

A surcharge is the amount some ATMs charge you each time you withdraw your cash benefits with your EBT card, and this surcharge is taken from your available benefits. Surcharge-free ATMs let you withdraw your cash benefits without being surcharged. On this page, only the ATMs that display the MoneyPass sign are surcharge free. When using these ATMs, look for the MoneyPass sign on the ATM.
